

St. Michael of the Saints

TRINITARIAN MYSTIC
& CANCER PATRON

Michael Argemir was born in Vich, Spain, on September 29, 1591. He became a Trinitarian in 1607, and took the name of Michael of the Saints. His brief life of thirty-three years was one of great love for Our Lord in the Blessed Sacrament. His generous service to the poor, the unfortunate, and the sick made him a compassionate priest and a faithful friend.

His ministry didn't end with his death. After eleven days of prayer, Frances Sanz was cured through his intercession. The cancerous tumors on her lip and tongue disappeared. No scars were left. Hers was one of many such cures and was presented as one of many miracles when Pius IX canonized Michael on June 8, 1862.

THROUGH THE POWERFUL
INTERCESSION OF ST. MICHAEL OF
THE SAINTS, THE PATRON OF THOSE
AFFLICTED WITH CANCER, MAY
HEALING GRACE FLOW INTO EVERY
SOUL IN NEED. MAY THE LORD BRING
PEACE TO THE ANXIOUS, STRENGTH
TO THE WEARY, AND HOPE TO THOSE
WHO DESPAIR.

God heals the brokenhearted and binds up their wounds.

ALL ARE WELCOME!

EVERY FRIDAY 12:10 PM
HOLY MASS FOLLOWED BY NOVENA

The Novena Prayer is offered for the healing of the sick, especially those battling cancer. All who attend Mass are invited to remain afterward and join in prayer for those affected. The sick will also have the opportunity to receive a special blessing.

Novena Prayer

We praise you, Most Holy Trinity, for having Sent us St Michael of the Saints, to be our friend and Intercessor in the fight against cancer.

Grant us, We pray, a humble faith that we may follow in his holy footsteps and believe without doubt in your generous gift of healing.

With humble and childlike trust, We ask your divine help through St Michael of the Saints in this urgent necessity.

May this gift of worldly health bring us peace and joy which are but a foretaste of heaven, and may we be counted one day among your Saints in glory.

Father, your world is ill with the cancer and frightened. We pray you ease the sufferings of those afflicted, give loving hands to those who care for them, and light the way for those who seek its cure.

Merciful Father, extend your healing hand so that we may cry out, a cure at last!

In Jesus name we pray.
Amen.

Prayer for Cancer Patients

Most Holy Trinity, Thou Who didst give us Saint Michael of the Saints as trusted friend and intercessor, and as patron of those afflicted with cancer, look with kindness on Thy servants who this day invoke his name.

Through his intercession, comfort those in distress, confirm those in doubt. Satisfy their spiritual needs from the treasury of Thy grace. Remember all those who call on Thy help, but be especially solicitous of [Mention Name]. Restore health to this person and to all who are sick. Sanctify those who endure pain with Christ-like acceptance and grant to all of us a just reward in the life of glory to come.

In Jesus' name we pray.
Amen.
